Couples need to attend only one class from each of the above listed workshops. Both workshops need to be completed at least three months prior to the couple's scheduled wedding date. Following completion of workshops the couple will later (about a month prior to scheduled wedding date) be contacted by one of our Sponsor Couples to set a meeting and discuss their FOCCUS* results. A follow-up meeting will then be scheduled with the celebrant to collect documentation, complete paperwork and finalize the marriage ceremony.
